

Hello, Class of 2024!

Congratulations on becoming a fellow Hoo! Even though college is going to be a bit different this year, it still doesn't change the wonderful relationships and experiences you are going to form at UVA.

I remember moving to my hall in new dorms on my first day of college, the bittersweet moment when you say good bye to your parents, the slight anticipation when you first get to know your roommate. Even though forming connections was harder in the beginning, I quickly found my group through clubs and events. And I can assure you that you will be just the same.

Welcome and feel free to reach out to any of us!

Best,  
Your fourth-year friend
