

Hello, Class of 2024!

I understand that this has been a challenging time to begin your college experience, so I wanted to start by reminding you that you are welcome and wanted at UVA. Despite the challenges of our current unprecedented situation, there is still a lot to look forward to at UVA! Some of my best memories from my time here so far include getting to know my first year hallmates and become friends with them. I would also strongly recommend joining clubs to meet people from outside of your dorm or classes, and to branch out and try new things in general. I'm sure that you will do great and enjoy your time at UVA – best of luck with this semester!

Sincerely,

A friend from the fourth year class
