

Hello, Class of 2024!

Welcome to UVA! I know this is not the way many of you envisioned your first year of college to begin, but I am optimistic that you will be able to make the most of your time here. Whether you are on Grounds or at home, always remember that the upperclassmen at UVA are excited to have you join our community.

My favorite thing about UVA is the school spirit that engulfs the community. Some of my favorite memories at UVA are heading over to Scott Stadium for a Saturday night football game or cheering on the basketball team at JPJ. There's nothing better than watching the Hoos beat Tech in football, basketball and every sport in between. I met some of my closest friends through our love for UVA sports. Although college sports will look a little different this year, there are still so many opportunities to (virtually) cheer on the Hoos. Even in these circumstances, I encourage you to show your school spirit and support the Hoos!

I wish you the best of luck with your first semester and the rest of your years at UVA. Make the most of your time here, these four years will pass by faster than you think! We're very excited to have you!

Go Hoos!

Sincerely,
A Friend from the Fourth Year Class
